

Did you know that **eChalk™** can help you to improve your school's learning environment survey results?

You can use your eChalk system to:

Provide important school announcements that are instantly translated into 34 languages!

Post class assignments for students and parents to create an environment of complete accountability and transparency within the school.

Advertise information about parent events like PTA meetings, conferences, concerts, and fund raisers.

Create a parent coordinator or "PTA corner" to distribute forms, schedules, and scholarship information.

Showcase student work, student clubs, and school awards.

Site managers or site administrators can use eChalk's homepage to post an announcement reminding parents to complete their school survey.

Just follow these simple step-by-step instructions to add a homepage announcement:

1. Log in and click the Manage Site button on the left-side toolbar.
2. Click the Homepage button. The Announcements screen will display.
3. Click the Add Announcement button. The Add Announcement template will display.
4. Enter the announcement in the Text/HTML box.
5. Add an image to the announcement by clicking the Add Image link. You may add an image from the eChalk Image Gallery or from your local computer.
(hint – you may want to use the NYC DOE survey image posted on this page.)
6. Click the Save button.
